12                   **PAUL NAEGER,**

13                   Defendant.

14                   **FINDINGS OF FACTS**

15                   Based on the pending Stipulation of Counsel, and good cause appearing therefore, the  
16                   Court finds that:

17                   1.       That Defendant is still gathering material for purposes of presenting at his  
18                   sentencing and sentencing memorandum;

19                   2.       That counsel for Defendant has spoken with Jim Fang, Assistant United States  
20                   Attorney who has no objection to the continuance;

21                   3.       Defendant is not in custody and does not oppose this continuance;

22                   4.       That denial of this request for continuance could result in a miscarriage of  
23                   justice; and

2 computing the time within which the trial herein must commence pursuant to the Speedy  
3 Trial Act, Title 18, United States Code, Section 3161 (h)(7)(A), when considering the factors  
4 under Title 18, United States Code, Section 3161(h)(7)(b)i and 3161 (h)(7)(b)(iv). In addition,  
5 the continuance sought is not for of delay and the ends of justice are in fact served by the  
6 granting of such a continuance which outweigh the best interest of the public and the  
7 defendant in a speedy trial.
